### **IN THIS LETTER:**

#### ***This Year's American Presidential Inaugural Prayer Breakfast in Washington, D.C.***

Dear Friends and Fellow Laborers,

I watched a *YouTube* video  
(<http://www.youtube.com/watch?v=Qr2H9fniQTY>) that I suggest everyone who reads this Legacy

letter also watch. It was a video of the Inaugural Prayer Breakfast held on January 21, 2013, in Washington, D.C. The keynote speaker was Rabbi Jonathan Cahn, a Messianic teacher and, frankly, a preacher of truth and the messenger of a warning from God. This is the time when truth is needed more than ever. The survival of the United States is at stake and Rabbi Cahn boldly called the entire nation to repentance. I have heard nothing like it.

Here are some brief quotations from the speech:

*"The Scriptures tell us that God hears the prayers of His people. But we must pray according to His will.*

*If a man has a terminal disease, we don't pray for an increase in wealth, we pray for healing.*

*If a city lies in danger of destruction, we don't pray with flowery words, we sound the alarm.*

*We pray for blessing . . . But true blessing only comes in the will of God. So the truth must be spoken as well—we must pray according to the truth and we must not be afraid to speak the*

*truth . . . so the message now will not be politically correct, nor will it be political. It will be Biblical. It will be true. And wherever it falls, let it fall—I will not hold back; and if I offend you I apologize that I cannot apologize for offending you.*

*Without truth, there is no love.*

*On a day that so embodies the future course of this nation, it is critical that we pray and speak the truth."*

Rabbi Cahn went on to compare America to ancient Israel that turned its back on the same God, the God of their fathers. He went on to describe some of the signs (he calls "harbingers") of impending judgment that is ready to fall on the people of America.

*"The people of Israel made a fatal mistake; in the midst of their blessings, they turned away from their God. They would still invoke His name from time to time, but it rang increasingly hollow and meaningless."*

Sound familiar?

God is being systematically kicked out of every aspect of our lives from government to education to historical family values. God's judgment is coming.

Our God is the same yesterday, today, and forever. His judgments are sure. The God of America is the same God as the God of ancient Israel. God brought judgment down upon His people then, and He will do it again today. No one can mock God and no one can continue to defy God for very long.

Rabbi Cahn talked about the judgment of God brought upon Israel because of the defiance of its leaders as brought out in Isaiah 9:10.

*"The bricks are fallen down, but we will build with hewn stones: the sycomores are cut down, but we will change them into cedars."*

Tigleth-Pileser, king of Assyria, had conquered and plundered Damascus in Syria and took spoil from its tributary, the kingdom of Israel (whose capital was Samaria). God no longer protected the borders of Israel. It was a warning of God's judgment to come. But Israel did not heed the warnings of Isaiah. Instead they were defiant and spoke the words in Isaiah 9:10. It is prophetic that these same words were repeated by Tom Daschle, U.S. Senate Majority Leader (<http://www.youtube.com/watch?v=Ns8MDSHqwbC>) on September 12, 2001, just one day after the planes hit the Twin Towers at Ground Zero.

I will now quote from "WND Exclusive" Published on the 22<sup>nd</sup> of January 2013, (<http://www.wnd.com/2013/01/harbinger-author-pleads-for-return-to-god/#3qgQGmaS3cKMqkmt.99>):

*"On the third anniversary of the attack, Sept. 11, 2004, another powerful U.S. senator who would eventually also suffer a disgraceful fall from the public stage, gave a speech to the Congressional Black Caucus.*

*"This time, John Edwards' entire speech was built on a foundation of Isaiah 9:10:*

*“Today, on this day of remembrance and mourning, we have the Lord’s Word to get us through,” he said.*

*“He then read Isaiah 9:10. He went on to talk about how America was doing just that—rebuilding with hewn stone and planting cedars.*

*“Later, in his first State of the Union Address in 2009, Barack Obama hearkened back to the same theme.*

*“On Feb. 24, 2009, President Obama echoed the defiant tone of the verse, saying in his address to Congress, “I want every American to know this: We will rebuild, we will recover, and the United States of America will emerge stronger than before.”*

God is sending America signs of impending judgment. God is sending prophets to warn America. America is not listening. Few in Israel listened to Isaiah. Few are listening now. It is time to wake up!

I do not believe that it was coincidence that Rabbi Cahn spoke at the Inaugural Prayer Breakfast. I suspect many in the administration were astonished that this man was even given the opportunity to speak! But he did speak and the words came from God.

There is still time for America to repent. Eventually, the Assyrian king sent his army into Israel (Israel was led by the northern tribes of Ephraim and Manasseh). He destroyed Samaria and led the people away captive as slaves.

America has turned its back on God and will suffer the same fate. It is only a matter of time. God always sends servants to warn before He sends judgment.

Jesus rebuked the cities of Bethsaida, Chorazin, and Capernaum, which were full of pride. Because they didn’t repent, God said it would be more tolerable in the Day of Judgment for Tyre, Sidon, and Sodom—saying, that they would have repented in sackcloth and ashes (*AS NINEVEH DID!*) long ago. (Matthew 11:20-24; Luke 10:1-17)

*“So the people of Nineveh believed God and proclaimed a fast, and put on sackcloth . . . And he (the king) caused it to be proclaimed and published through Nineveh by the decree of the king and his nobles . . . “Who can tell if God will turn and repent, and turn away from His fierce anger, that we perish not?” (Jonah 3:5-9)*

We do not know how long God will give America to repent. We DO KNOW that He will send more signs and more prophets with messages of warning. I pray that America repents and turns back to God. I also sincerely pray that the Churches of God energize our own efforts to warn the world about the supra-national tyranny that is coming and to spread the Good News of the soon coming Kingdom of God. Please watch the video link of Rabbi Cahn. It is very sobering.

### **PASSOVER AND UNLEAVENED BREAD IN BURMA**

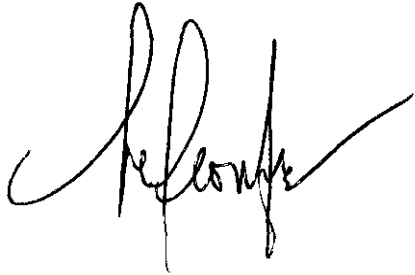

If God wills, Gloria and I will be heading to Burma soon to gather God’s people to take the Passover and observe God’s holy days of Unleavened Bread. My health is good, but travel in Burma is always taxing for me. Please pray for our health. And please pray that the Church of God

members can gather without danger and keep the Feast in peace and safety. There is still heavy fighting going on along Burma's border with China. Members from that area could potentially have trouble coming south to keep the Passover unless God shields them. Please pray for us and them.

Especially at this Passover season, pray for America's repentance—and that God send even more of His servants who will cry aloud and spare not!

Looking to Our Lord and King Jesus Christ to protect and keep us,

In Jesus service,
