Dear Friends and Fellow Laborers,

For over 12 years, Legacy Institute has sponsored a Feast of Tabernacles site in Chiang Mai, Thailand, the heart of Southeast Asia. Festival goers from all parts of the world gather to worship, feast, and fellowship in one of the most exotic countries on earth.

Thailand (once known as Siam) is a modern country with ultra-modern convention facilities, yet still retains its own unique ancient culture. Thailand was never colonized by a Western power. While Laos, Cambodia and Vietnam became French protectorates and Burma and Malaysia became part of the British Empire. Siam remained free. This allowed Siam (now called Thailand) to emerge into the 20<sup>th</sup> Century with its own identity.

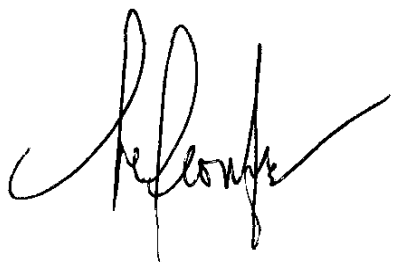

Thailand also has had the blessing of an honorable and beneficent monarchy. King Bhumibol and Queen Sirikit have been on the throne for over 60 years. In fact, King Bhumibol has the distinction of being the longest reigning monarch in the world today. They have, together, started thousands of self-help projects to raise the quality of life of the poor and undereducated throughout the country. As a result they are highly respected and revered by their people.

Every year, Legacy Foundation in Thailand sponsors a Feast of Tabernacles in the modern Empress Hotel and Convention Center in the heart of the shopping district of Chiang Mai, the 700 year old northern Capital of the ancient Lanna Kingdom.

Worship services will be held every day for all 8 days. Tours of an elephant farm, teakwood carving and handicraft center, and one of Queen Sirikit's agricultural demonstration farms is being scheduled. Bible seminars and cultural events will be part of the program. For the "*shopaholics*", the famous bargain centers of the *Sunday Market* or *Night Bazaar* are just down the street. For those who have pizza, hamburger, or latte withdrawals, McDonalds, Pizza Hut and Starbucks are located nearby. But the most important part of all is the spiritual fellowship and fun to be enjoyed with family and brethren from Asia and other parts of the globe.
