Hosea 8:7

*For they have sown the wind, and they shall reap the whirlwind:
it hath no stalk: the bud shall yield no meal:
if so be it yield, the strangers shall swallow it up.*

Dear Friends and Fellow laborers,

The Fall Holy Days are upon us! In a few days we will observe the Feast of Trumpets which symbolically heralds the advent of the Messiah's return to this earth. It is a time of great turmoil and war that the Bible calls the day of the Lord.

*Howl ye; for the day of the LORD is at hand; it shall come as a destruction from the Almighty. Therefore shall all hands be faint, and every man's heart shall melt: **Isaiah 13:6-7***

The "end of the age" is imminent. That is why this Feast of Trumpets is so significant. Armies are gathering around Israel. At this writing, the U.N. soldiers¹ that provided a barrier between Syria and Israel on the Golan Heights have abandoned their posts and fled to safety in Israel². Islamic militants, some affiliated with al-Nusra Front, al-Qaeda's branch in Syria, now control all of the Syrian side of the border. The reason the Golan Heights is so militarily advantageous is because it is the high ground overlooking the Sea of Galilee, northern Israel, and northern Jordan.

The Islamic rebels fighting Assad's troops recently grabbed 43 U.N. Peacekeepers from Fiji and surrounded the camps of 81 Peacekeeper troops from the Philippines and demanded they turn over their arms. A ransom was paid and the Fijians were released. The Irish contingent of peacekeepers fought their way through the Islamic rebels in armored personnel carriers under cover of darkness and got the Filipinos out. The U.N. is now going to pull out completely. This means that armed Islamist forces control the Golan all the way to the borders of Israel and Jordan

Now the U.S. Congress has approved giving these same Syrian rebels weapons, money and military training. No wonder no one trusts the U.S. at all anymore. We are arming and training our enemies so that they can turn those weapons and training around and use them against the U.S., Israel, and other allies. That just doesn't make any sense at all. No wonder that Secretary of State Kerry cannot gain more than lukewarm receptions from those he hopes will join President Obama's ill-fated "international coalition" to fight ISIS.

¹ The UN had 1,224 lightly-armed military personnel from Fiji, India, Ireland, Nepal, Netherlands and the Philippines providing a peacekeeping buffer between Syria and Israel.

I wrote a letter several months ago about the blood moons and other heavenly signs that are to appear in the sky on High Sabbaths during 2014 and 2015. The Blood Moon of Passover was only visible over parts of the Western hemisphere. We have another Blood Moon scheduled on the first day of the Feast of Tabernacles, also a High-Sabbath Holy Day.

It remains to be seen just how significant these heavenly signs are as time and prophetic events unfold. I think that having Islamic militants now in control of the Syrian side of the Golan Heights is very significant. They could move tanks and artillery up to the borderline of the heights and rain fire down upon both Israel and Jordan. How long will Israel allow this threat to exist? How long will Jordan be able to remain out of the fray? ISIS has already threatened that Jordan and its King Abdullah are next on their hit list.

Prophecy continues to march forward. Are you ready for the return of the King of Kings? I pray every day that He comes back soon to save His people and destroy the advancing evil that is upon us.

America is filled with sin and corruption at the highest levels. Congress is spineless. The Godless continue to war against the God of Abraham, Isaac, and Jacob. More and more are standing up for the freedom of religion in America, but is it too late?

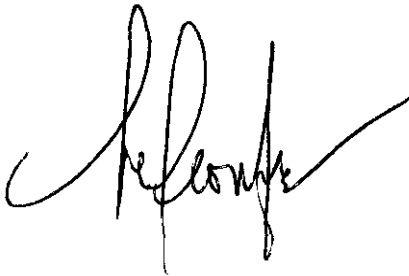

My ancestors from Ireland came to America to escape religious persecution in their homeland. They found a new world of hope and religious freedom. They fought in the Revolutionary War to establish a new nation based on Godly laws. Those laws of freedom enshrined in the Bill of Rights are quickly being attacked and eroded away by God-haters who are waging a War on God! They want to see God erased from our American culture entirely—no crosses on football helmets; no Bibles in military hospitals; no prayers by cheerleaders before football games; no plaques on schools with God's name or Christian symbols on them; no prayers to God before city government meetings; removing the Ten Commandments from government buildings. I could go on and on. Yet it is OK to build mosques anywhere you want. It is OK for the Air Force Academy in Colorado to build a Wicca Stonehenge on government property for witches and warlocks to practice their Godless rituals. Good is made evil and evil is made good.

We need Jesus to come back and end this travesty. We need Him to come back quickly and save us all. This is my prayer.

Please think about all this when you gather for Trumpets, Atonement, and the Feast of Tabernacles which all point to Our King's return to set all things straight.

Until next letter,

In Our Lord Jesus' Name,

FOT Burma: Please remember our brethren in Burma. They cannot attend the Feast of Tabernacles in Thailand. We are planning an FOT site in Burma near the central city of Taungoo. Please remember our brethren who will gather there. Legacy graduates and the COG deacon in Rangoon will be serving at the Burma site. Most of our Burmese brethren are subsistence farmers or day laborers and earn very little money. We need to help out with food, some accommodations and transportation. We need to send them U.S. \$2,000.00 to cover these festival expenses. If you wish to make a donation for the Feast of Tabernacles in Burma, please send to the address at the top of this letter. Make sure to note “FOT Burma.”

FOT Chiang Mai: Also remember us here in Chiang Mai. We have had over 10 international cancellations due to various reasons. Legacy must support many of our local brethren of which most are students. We also must support our volunteer teachers. This will include food and beverage, a few accommodations, and FOT group activities. The total will be U.S. \$3,000.00 for these expenditures. If you wish to make a donation for the Feast of Tabernacles in Chiang Mai, please send to the address at the top of this letter. Make sure to note “FOT Chiang Mai.”
