The headline reads:

***The President Of France Wants Eurozone Members To Transfer Their
Sovereignty To A United States Of Europe.***²

Continuing in the body of the text: *On Sunday, a piece authored by French President Francois Hollande suggested that the ultimate solution to the problems currently plaguing Europe would be for every member of the eurozone to transfer all of their sovereignty to a newly created federal government. In other words, it would essentially be a “United States of Europe”.*

Dear Friends and Fellow Laborers:

Things are moving rapidly to the close of this present—and increasingly evil—age. Christians in Africa and the Middle East are being crucified and beheaded. Christian women and children are being sold into slavery, and President Obama and Prime Minister Cameron SAY NOTHING and DO NOTHING!

The existential threat of the Islamic State (IS, ISIS or ISIL³) is growing. It appears they now possess WMDs (Weapons of Mass Destruction), such as mustard gas and possibly Sarin and VX. It is reported that in July, IS fighters used mustard gas against the Kurds in the fighting in Kobani⁴. If they do have such weapons and are willing to use them, then IS becomes much more dangerous and deadly.

The nuclear deal that President Obama has made with the mullahs of Iran is a total disaster. I am a teacher. If I were to grade John Kerry on diplomatic acumen, I would give him an “F.” The Iranians get everything they want . . . and the rest of the world gets a nuclear Iran in a few short years, if not sooner.

Leaders (such as King Abdullah of Jordan, King Abdullah Abdulazis of Saudi Arabia, and Egyptian President Al Sisi) all realize the seriousness of the existential threat to their own countries. All these nations are targets of the Islamic State, which seeks to re-establish the Muslim Empire or Caliphate throughout the whole world, starting in the Middle East and Africa. But the country that remains squarely in the center of the cross hairs of the IS is Israel. The IS seeks to establish Jerusalem as its capital.

Mecca, Saudi Arabia, houses Masjid al-Haram, the largest mosque in the world. It surrounds the Kaaba, which Muslims turn toward while offering prayers⁶.

Medina, Saudi Arabia, is home to the three oldest mosques. Above is the Quba Mosque, the first mosque in history built by Muhammad upon arrival in Medina⁷.

Why not Mecca or Medina, two of the holiest sites of Islam, or one of the other former capitals of the historic Islamic Caliphate? Why Jerusalem? It is because Jerusalem is the capital of Jesus the Messiah. The Muslim Caliphate is nothing more than another counterfeit of the Kingdom of God that Daniel prophesied would come to the earth (Daniel 2:34-35). It is significant that during the political elections for the President of Egypt in 2012, a well-known Muslim cleric who backed Mohamed Morsi claimed Jerusalem would be the capital of the restored Islamic Empire, and thousands of supporters began chanting: “Millions of martyrs march to Jerusalem, millions of martyrs march to Jerusalem, Mecca will not be our capital, Medina will not be our capital, Cairo will not be our capital, Jerusalem will be our capital.”⁸

The IS must capture and control Mecca and Medina in Saudi Arabia, and Jerusalem in Israel, in order to fulfill their Muslim Apocalyptic vision. These are the locations of the three holiest sites of Islam. In order for the would-be Caliph to legitimize his rule, he must control all three. Current news shows us times are escalating to the crescendo of the End of the Age. This year is the Biblical Year of Release, or Sabbath Year (occurring from the Feast of Trumpets 2014 and

ending on the last day before the Feast of Trumpets, or Rosh Hashana, 2015). This is called the “Shemitah” in the Hebrew language. It is the year when the land is to rest and all debts are canceled. At Legacy in Thailand we are observing the commandment of God to allow the land to have a Sabbath rest. We will wait until after the Feast of Trumpets to prepare the soil and plant rice and vegetables for the school (Leviticus 25:1-7; Deuteronomy 15:1-6)

Michael Snyder writes about the End of the Age. He published *The Economic Collapse Blog*, *The American Dream Blog*, and *The Truth*. Below I have copied his outline of ten major events that are going to happen within 15 days of the end of the Shemitah. These are quite literally earth shaking times in which we are living:

Ten Things That Are Going To Happen Within 15 Days Of the End Of The Shemitah⁹

*Is a great shaking coming to America? An amazing convergence of events is going to take place during the last several weeks of September 2015. Many are suggesting that this could indicate that something really big is about to happen. In fact, some vendors of emergency food **are reporting shortages** because so many people are stocking up on food and supplies in anticipation of what is coming. And of course the list I am about to share with you is not necessarily exhaustive. There are events that are currently unknown or unanticipated that could also fall during this time frame. But without a doubt, the incredible confluence of events that we already know will happen appears to be unlike anything that we have ever experienced before.*

*It all starts with the end of the Shemitah year on **September 13th**... During the last two cycles, we witnessed historic stock market crashes on the very last day of the Shemitah year (Elul 29 on the Biblical calendar). For example, if you go back to September 17th, 2001 (which was Elul 29 on the Biblical calendar), we witnessed the greatest one day stock market crash in all of U.S. history up until that time. The Dow plunged 684 points, and it was a record that held **for exactly seven years** until the end of the next Shemitah cycle.*

On September 29th, 2008 (which was also Elul 29 on the Biblical calendar), the Dow plummeted 777 points, which still today remains the greatest one day stock market crash of all time in the United States.

Now we are in another Shemitah year. It began in the fall of 2014, and it ends on September 13th, 2015.

So will we see a stock market crash in the United States on September 13th, 2015?

*No we will not, because that day is a Sunday. So I can guarantee there will not be a stock market crash in the U.S. on that day. But as author Jonathan Cahn has pointed out **in his book on the Shemitah**, we have witnessed major stock market crashes happen just before the end of the Shemitah year and we have also witnessed major stock market crashes happen within just a few weeks after the end of the Shemitah year. So we are not necessarily looking at one particular date.*

⁹ Before its News, August 13, 2015, <http://beforeitsnews.com/survival/2015/08/10-things-that-are-going-to-happen-within-15-days-of-the-end-of-the-shemitah-2581328.html>

And this time around, a whole bunch of critical events just happen to fall in the period of time immediately following the end of the Shemitah year.

The following are 10 things that are going to happen within 15 days of the end of the Shemitah...

September 14th – Rosh Hashanah

September 15th – The Jade Helm military exercises are scheduled to end.

September 15th – The 70th session of the UN General Assembly begins on this date. It has been widely reported that France plans to introduce a resolution which will give formal UN Security Council recognition to a [Palestinian state](#) shortly after the new session begins. Up until now, the U.S. has always been the one blocking such a resolution, but Barack Obama has already indicated that things may be different this time around. If alarm bells are going off in your head as you read this, then you probably already understand how significant this event could potentially be.

September 20th to September 26th – The [“World Week For Peace in Palestine Israel”](#) sponsored by the World Council of Churches.

September 21st – [The UN International Day Of Peace](#). Could this be the day when the UN Security Council resolution establishing a Palestinian state is actually adopted?

September 23rd – Yom Kippur

September 23rd – Pope Francis arrives at the White House to meet with Barack Obama. Some have suggested that the timing of this event is [highly unusual](#)...

Francis is the 266th pope who will be meeting with President Obama on the 266th day of the year, leading one Internet preacher to wonder if “something is being birthed” on that day, since 266 days is the typical human gestation period from conception to birth.

September 24th – The Pope addresses a joint session of the U.S. Congress.

September 25th to September 27th – The United Nations is going to launch a brand new sustainable development agenda called [“The 2030 Agenda”](#).

If you didn't like “Agenda 21”, then you really are not going to like “The 2030 Agenda”. Next month, the United Nations is going to launch “The 2030 Agenda” at a major conference that will be held from September 25th to September 27th in New York City. The Pope is actually traveling to New York to deliver an address which will kick off this conference. Unlike Agenda 21, which primarily focused on the environment, the 2030 Agenda is truly a template for governing the entire planet. In addition to addressing climate change, it also sets ambitious goals for areas such as economics, health, energy, education, agriculture, gender equality and a whole host of other issues. As you will see below, this global initiative is being billed as a **“new universal Agenda”** for humanity. If you are anything like me, alarm bells are going off in your head right about now.

September 28th – This is the date when the Feast of Tabernacles begins. It is also the date for the last of [the four blood moons](#) that fall on Biblical festival dates during 2014 and 2015. This blood

moon falls on the very first day of the Feast of Tabernacles, it will be a “supermoon”, and it will be clearly visible from the city of Jerusalem. There are many that dismiss the blood moon phenomenon, but we have seen similar patterns before. For example, a similar pattern of eclipses happened just before and just after the destruction of the Jewish temple by the Romans in 70 AD...

...Just recently, [author Jonathan Cahn](#)¹⁰ released a [new video](#) in which he expressed his belief that a “great shaking is coming to America and the world.” He points to the Biblical pattern of desecration preceding judgment, and he is convinced that we recently witnessed a historic act of desecration here in the United States...

Many have asked Cahn whether America is headed for revival or shaking.

He is convinced that revival can come out of shaking.

*Personally, I believe that we will not have revival **unless** there is shaking.*

As a nation, we have [unapologetically embraced evil](#), and our culture has been going [down the toilet](#) for decades. We are extremely proud, arrogant, greedy and cold-hearted. I do not believe that there is any hope for our nation unless we are shaken to our core.

I am fully convinced that the months ahead [are going to dramatically change life in America](#), but whether it happens right now or not, I am 100 percent convinced that a great shaking is coming to this nation at some point.

Before God brings punishment down upon His people, He sends prophets to warn them about what is coming and call them to repentance. I believe men such as Jonathan Cahn and Michael Snyder are sent to warn the people of America to repent and turn back to God.

How far we have drifted away from the days when our ancestors—Christian and Jew—came to the shores of America looking for religious freedom and a new beginning under God.

George Washington, the first President of the newly formed United States, recognized God’s hand in the formation of a free nation. In his inaugural address made on April 30, 1789, he acknowledged:

... Such being the impressions under which I have, in obedience to the public summons, repaired to the present station; it would be peculiarly improper to omit in this first official Act, my fervent supplications to that Almighty Being who rules over the Universe, who presides in the Councils of Nations, and whose providential aids can supply every human defect, that his benediction may consecrate to the liberties and happiness of the People of the United States, a Government instituted by themselves for these essential purposes: and may enable every instrument employed in its administration to execute with success, the functions allotted to his charge. In tendering this homage to the Great Author of every public and private good I assure myself that it expresses your sentiments not less than my own; nor those of my fellow-citizens at large, less than either. No

¹⁰ Jonathan Cahn is a Messianic Rabbi and author of the books, *The Mystery of the Shemitah*, and *Harbinger*.

*People can be bound to acknowledge and adore the invisible hand, which conducts the Affairs of men more than the People of the United States. Every step, by which they have advanced to the character of an independent nation, seems to have been distinguished by some token of providential agency. . . .*¹¹

In ancient Israel, turning away from God ultimately brought punishment. The same is true today. Nothing has changed.

See, I have set before thee this day life and good, and death and evil; In that I command thee this day to love the LORD thy God, to walk in his ways, and to keep his commandments and his statutes and his judgments, that thou mayest live and multiply: and the LORD thy God shall bless thee in the land whither thou goest to possess it. But if thine heart turn away, so that thou wilt not hear, but shalt be drawn away, and worship other gods, and serve them; I denounce unto you this day, that ye shall surely perish, and that ye shall not prolong your days upon the land, whither thou passest over Jordan to go to possess it. I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live: That thou mayest love the LORD thy God, and that thou mayest obey his voice, and that thou mayest cleave unto him: for he is thy life, and the length of thy days: that thou mayest dwell in the land which the LORD swore unto thy fathers, to Abraham, to Isaac, and to Jacob, to give them (Deuteronomy 30:15-20).

The 10 Commandments form the basis of all our American laws and judgments. Yet we now have to fight against “God-haters” in order to keep monuments to God’s Laws standing in our places of government.

The Supreme Court of Oklahoma has ordered the removal of the Ten Commandments monument that stands on the grounds of the State Capital. But Governor Mary Fallin says, “NO!”

Oklahoma Attorney General Scott Pruitt has asked the state supreme court to reconsider its decree. He said, “*Quite simply, the Oklahoma Supreme Court got it wrong. The court completely ignored the profound historical impact of the Ten Commandments on the foundation of Western law”¹² (emphasis my own).*

Mary Fallin and Scott Pruitt are fighting to stand up for God and His Laws against their own state Supreme Court. Would you?

And even as they fight for God to keep a monument to His Laws, others are erecting statues to Satan: *A group is planning to unveil an eight-foot-tall bronze statue featuring a goat-headed Satan in Detroit during a gathering that’s being billed as the “largest public satanic ceremony in history”¹³.*”

America is being turned upside down. Good now is bad and bad is good (Isaiah 5:20). Our leaders have been corrupted and we the people have turned our backs on God. Only a few, such as Governor Mary Fallin, still stand up for God. May God bless her and strengthen her in her battle.

But Mary Fallin is the exception. Others are too busy, tuned out on their smartphones (which I call “dumbdown phones”) or bantering back and forth on *Facebook*, *Twitter* or whatever to even care what goes on in Oklahoma or Jerusalem—or anywhere else for that matter.

Jesus warned us that the End of the Age would be like this. He said:

But as the days of Noe were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be (Matthew 24:37-39).

The events that bring about the close of the Age are coming upon us like a flood. The only ‘ark’ we have is under the wings of the Almighty. If we abandon God and the covenant He made with Abraham, we are rejecting the only One who can save us. Pray fervently that we cease our headlong rush to destruction and return to the God of Abraham, Isaac and Jacob—our Refuge and High Tower.

In Jesus the King’s service,
