Dear Brethren and Fellow Laborers,

Passover and Days of Unleavened Bread are only 5 weeks away as we write to you our beloved brethren. We will not write again until after the Feast in May.

Daily we thank God for His plan for all mankind—His creation—that Jesus came to save. We are even more humbled by our calling and choosing now—His first fruits. It’s too awesome!

Sometime ago one of our very dear friends shared the following about the meaning of the names in the “book of generations of Adam” (Genesis 5:1-32.)

ADAM	Man/of the ground	Here is how one messianic put those words together so beautifully. “Man, who was appointed as mortal shall live in sorrow. But our Blessed GOD, will descend, teaching us. His death, shall bring the lowly, and despairing, rest.” This is just an example of showing us that everything in the Word of God has so much more meaning—more than we can ever fathom. Behind every number, name, and words used, there is so much more for us to still discover as God leads us to the deeper meanings.
SETH	Put or substituted—appointed	
ENOS	Mortal	
CAINAN	Acquisition/purchase	
MAHALALEEL	God is splendor	
JERED	Descending	
ENOCH	Teacher	
METHUSELAH	Man of a dart (sword/branch)	
LAMECH	Despairing/hopeless ¹	
NOAH	Rest	

Gloria and I have already gotten our air tickets to Burma and will get our visas and re-entry permits in a few days. Our whole family is suffering coughs lasting for weeks. Please pray for our health.

Please ask God to bless the Passover and Days of Unleavened Bread in Taungoo and Jawk Taing—**AND**, where ALL God’s people will be worshipping Him around the world! Remember, soon Jesus will take the wine with us in His kingdom (Matthew 26:29). You are always in our prayers!

In Christian love,

Gloria and Leon Sexton
