“Now is the time for a 'great reset' ” by Klaus Schwab Founder and Executive Chairman World Economic Forum ¹

Dear Brethren and Fellow Laborers,

24 June 2020

First, and foremost, we want to thank all of you for your continued love, unceasing prayers, and donations during this worldwide time of trouble. We are all in this together!

We know that many are drawing closer and closer to our Father and His Son as these trials come upon the world. Though we feel the pressures of this world, we can think positively—because one day we will have our promised *rest* (of which we get a tiny taste each Sabbath). Our dear friend, Denise Dobson, wrote to us in which we, and are sure most of you, can resonate 100%! She writes: “Have a wonderful upcoming Sabbath! The Sabbath always arrives just in the nick of time—before I feel like I've totally lost my mind, overwhelmed by all the chaos, diseases, and evil in this world. How comforting it is to know God's Word and to know He is True and Faithful. Thy Kingdom Come!”

Where does one even start in the chaos and evil that is going on? We start by always staying close to God, putting Him first—EVERY DAY—and to stand in the “gap” for God at every moment! Dave Dobson recently sent us his sermon regarding the time when the prophet Ezekiel lived—and there was NO ONE to stand in the gap. That is heart-breaking! We must be READY to do that!

“And the word of the LORD came to me, saying . . . ‘The conspiracy of her prophets in her midst is like a roaring lion tearing the prey; they have devoured people; they have taken treasure and precious things; they have made many widows in her midst . . . The people of the land have used oppressions, committed robbery, and mistreated the poor and needy; and they wrongfully oppress the stranger. **So I sought for a man among them who would make a wall, and stand in the gap before Me** on behalf of the land, that I should not destroy it; **but I found no one.** Therefore I have

poured out My indignation on them; I have consumed them with the fire of My wrath; and I have recompensed their deeds on their own heads,' says the Lord GOD" (Ezekiel 22:23, 25, 29-31). Jesus will come back the second time as a mighty warrior King—his vesture soaked and dripping with the blood of HIS CONQUERED ENEMIES, to judge and to make war as the heavens and elements dissolve and melt by fervent fire.

A dear non-church friend just sent a short YouTube video of what the World Economic Forum put out four years ago called: "What is the Fourth Industrial Revolution?" Quote: "Ubiquitous (meaning *universal*), mobile supercomputing. Artificially-intelligent robots. Self-driving cars. Neuro-technological brain enhancements. Genetic editing. The evidence of dramatic change is all around us and it's happening at exponential speed." ² 2021 will be the 51st World Economic Forum, which plans to "**reset the world.**" ³

It all looks and seems so intellectual and scientific (with *expert gurus* of every sort) for the "great reset," to bring a peaceful end by solving the world's chaotic messes! But we know what our Bibles say!

There has never been a worldwide "lockdown" in which all "sheeple" obeyed. There are so many coming forward with what has and is REALLY happening in their communities.

Leon and I grieve and are totally sick of what has been happening in the U.S.—our beloved country. We keep beseeching our Lord for His help for His sons and daughters worldwide. There is so much anguish, demented evils, and sick repulsive torment and grief. Need we say more?

Our focus must be on getting out that wonderful Gospel (GOOD NEWS)—the HOPE FOR ALL MANKIND! Satan wants to destroy ALL God ever created. Do we really get that?

Online via e-mail or "Snail Mail" (by Post)

Another very dear friend takes care of mailing the Legacy Letters. This entails: copies, paper, ink, postage, mailing, etc. This has been done as a donation for Legacy. This was particularly difficult in April during the ongoing virus.

Please, if you are able to receive both the **letter** and **donation receipts** via E-MAIL, kindly send us **an e-mail** at: mail@legacyinstitute.org stating this change from "Post" to "E-mail." This will help cut our costs. We are happy to continue sending via post if you are not able to receive e-mails.

Pentecost in Burma and Chiang Mai

Our members in JawkTaing, Yangon, and NaMawn have fared well throughout the pandemic. We have kept in contact with all our brethren and food has been sufficient—thanks be to God Who takes care of His own! We have asked our pastor, SengAung, to keep rice for future emergency needs as they come up (for which we have sent funds). Many had no jobs and some are still looking. Please pray that all get work

and, even MORE IMPORTANTLY, that they are able to get jobs in which God will miraculously bless them to keep the Sabbath! SengPan, the pastor's wife, wrote to us that the poor and day-laborers received government food. Even day-labor stopped until rainy (rice planting) season.

A small group for those nearby was able to come together. The church was still closed so the Food Hall was used. Front left is PohShar and his wife AhMe, who have recently returned to JawkTaing.

In Yangon, not all could meet for Pentecost, so here is last Sabbath with guests on 27th June 2020. Pic by LuLu.

Retaining Wall

Near the end of April, work was started on the retaining wall of the new Church of God land by the river. This work continues step by step.

Last week this section of the wall was completed. It is fourteen feet in length with many more posts already in place.

Beautiful completed road.

New Road Important for Church

A smooth dirt road from the newly completed bridge all the way to the church compound was finished on the 12th of June. SengAung was once again the overseer and the local government gave him the funds—though three Lak short (\$220) for doing that service. Now one can take a truck, car, and even walk easily. Please pray that, God willing, Leon and I are able to travel that road for the Feast of Tabernacles.

The End Times We are All Feeling

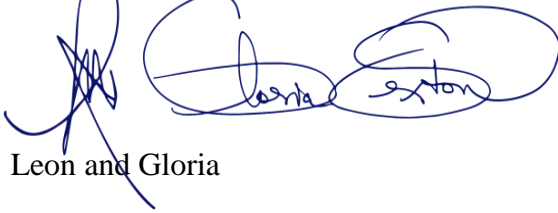

All of us receive every sort of news links, reports, etc., which must be carefully weighed and deciphered. We ask God to help us understand what HE wants to reveal for us to know and learn. We must always go back to our Bibles! Be on the watch! Pray always! Desire to be accounted worthy to escape all these things that shall come to pass! Then we will stand before Christ Jesus! Things that were vague in the past are coming into the light. Galactic wars have been from the time of Satan’s fall—and God’s people, and all humanity, has been dealing with the effects! Think of Daniel too where we read that Michael had to help Gabriel to withstand the prince of Persia and Greece! It’s not any different today! We are at the End of this Age!

We are adding one more link⁴ from another good friend. It’s about 35-45 minutes, but they fly by. It reminds me of the book *When China Rules the World* by Martin Jacques. Informative about what is happening to our *Nation under God*, and to many other nations—especially while we are in “virus” turmoil. We are NOT to SLEEP, but to be in a WATCH and PRAY mode. We are the children of the light and NOT of darkness.

Our daily prayers are for Jesus to come quickly. Our Father God only knows when that will be. May He have mercy on us as we, with all creation, groan and moan for Jesus' return! We wait and hope and look for HIM! COME JESUS!!!
